## DIRECTOR'S NOTE

Thank you for coming to PoiemAristry's presentation of the Broadway hit, *You're A Good Man, Charlie Brown!* This is a great musical to start off our 2025 season! As a side note, this year The PEANUTS are celebrating 75 years of entertaining through cartoons in the papers, movies, plays, books, and the ever popular, *A Charlie Brown Christmas*. It's hard to imagine a childhood without Charlie Brown, Snoopy, Lucy, Linus, Sally, Schroeder and more.

Based on Charles Schulz' PEANUTS, this show tugs at the heart of every child no matter his or her age. It shows that no matter what others say or think, we have value...a value placed in our lives by God, Himself. When the Father deems us valuable, that is a saying something powerful – not weak. It is significant thing. Many struggle with acceptance, believing their lives are a meager existence. Do you ever wonder why many get attacked in the very area God placed His fingerprints? Fear of failure or rejection, unworthiness, etc.?

Charlie Brown is a combination of all of us. At times we find ourselves with accusing fingers pointed at us by others. Not to mention all our faults on display before the world. The "gang" in today's performance look at Charlie's: inferiority, clumsiness, never pitching a wining baseball game, having a failure face. You would think he would get better friends.

The good news for everyone sitting in this auditorium is that we can have confidence that Jesus celebrates you and does not major on your weaknesses or faults. No wonder the truths of Charlie Brown have lasted 75 years. They are eternal!

Enjoy *You're A Good Man, Charlie Brown!!*
